

“A” PERMIT LOTTERY UPDATE

We are pleased to announce that the “A” parking permit lottery was successfully completed. Almost 700 seniors entered the lottery which resulted in all “A” permits being sold out. There will not be a lottery for underclassmen. Seniors can log on to the system to determine if they were selected in the lottery by selecting the “Pay for Permit” link. If you were selected, the link will display the permit you received and will prompt you to complete the purchase. As a reminder, all lottery permits must be paid for by August 8th. After your payment is posted you may pick up your permit at Parking Services, Annex 5, M-F, 6:30am - 4:30pm. (ID required)

All other permits will be available for purchase beginning Monday, August 4th. Please follow the instructions below to access the system and make your purchase.

To access the Parking Services web applications each person must log into their e-Weber account. This can be done from the Weber State homepage. After logging on, please click on the Student Services tab and then choose Lynx self-service. When that populates, select the Student and Financial Aid folder. At the bottom of the list you will find the Parking Services link. Click on that link and the page below will be displayed. Click on the “Parking Permit Registration” link shown below to select your parking permit and the vehicle it will be displayed in. After you have selected your permit, click on the “Pay for Permit” button shown below to pay for your permit.

Parking Rules and Regulations require that all citations must be paid prior to permit purchases. Any attempt to access the system for an account with unpaid citations will be prevented. Outstanding citations can be reviewed by clicking on that link. To pay the citations listed, click on the “Pay Citations Now” link found on the page or go to the Parking Services home page <http://departments.weber.edu/parking>. Citation payments are posted to accounts within one business day. For immediate payment processing, please come to Parking Services located in Annex 5.
